

Maryland Academy of Audiology
P.O. Box 6841, Ellicott City, MD 21042

Dear Members of the Academy:

As you know, the Maryland Academy of Audiology is a professional society of audiologists practicing in a variety of settings who are dedicated to serving people with hearing impairments and vestibular disorders. The Maryland Academy of Audiology's goal is to enhance the ability of our members to achieve career and practice objectives by fostering professional autonomy, providing quality continuing education, increasing public awareness of hearing and balance disorders and educating the public on the value of audiologic services. This year at the annual convention on September 24, 2009, a silent auction will be held to raise funds for our political action committee (PAC).

The purpose of the Maryland Academy of Audiology PAC is to endorse candidates for state office who support policy goals important to the practice of audiology. Every dollar that is raised goes directly to campaigns helping to further the growth, development, recognition and status of the profession of audiology. This is a great way to strengthen the voice of audiology in Maryland. Because we are looking to promote an awareness of hearing and balance healthcare in the state of Maryland, we hope that you are willing to donate items and/or gift certificates to help our cause.

If you have any questions or comments, please don't hesitate to contact us at the information below. Thank you for your time and we hope to hear from you soon.

Sincerely,

A handwritten signature in black ink that reads "Melissa J. Segev".
